"00" PIZZERIA

is ideal for classic Neapolitan Pizza in wood fired, gas or electric ovens. It produces a very soft and flavorful crust with optimal hydration. The high-quality protein and gluten result in a consistent long-rise dough.

"00" RINFORZATA

"reinforced" because of the higher protein level. Caputo quality milling with higher protein and gluten is ideal for long rise dough. Certain pastry, specialty breads and pizza can reach new heights with Rinforzata.

FRUMENTA "00" PIZZA (RED)

A premium, Italian '00' medium strength pizza flour. This is ideal for quick leavening times of 4 to 8 hours. 12.5% protein, this flour produces pizzas which are fragrant, tasty and light.

FRUMENTA "00" CRISPY BITE

A premium blend of white wheats high in protein specifically for producing extra crispy and light traditional pizza bases! My personal favourite

FRUMENTA "00" PIZZA (RED)

This special flour is made with Manitoba, Canadian and North American springtime wheat, offering great strength and resilience. Contains a minimum of 13.5% protein, and requires 10 to 16 hours leavening. This flour produces a light and crispy pizza, full of flavour and easy to digest.

WINES

ARTIUS WINES

— DELIVERING ARTISANAL WINE —

Artius Wines are a specialist importer and agent of artisanal Italian wines.

The majority of our range of carefully selected artisanal wines are new to the UK market and are available exclusively through us.

Here at Artius Wines we focus on artisan growers whose winemaking philosophies are based on tradition, minimal intervention and no gratuitous use of oak. We only source wines that are true to the grape, the people and the place.

We travel regularly, looking for the best expressions of Italy's enormous range of native grape varieties.

PLEASE ASK FOR A BROCHURE TO SEE OUR RANGE OF WINES

MANY THANKS
